Letter from the President...

WOW, What a wonderful year our WApHC has had! We participated with booths at Horse-a-rama and Midwest Horse Fair, followed by (2) horse shows: an open show in Manitowoc & our Appaloosa breed show at Deerfield. Taking on this amount of activities is no small task. So how did we accomplish this? It was done with a combination of experienced board members and a new group of very enthusiastic, hard working new board members, and some former board members all pitching in to accomplish any task that came their way.

Working with this group of people made my job a very pleasant and rewarding experience. The only thing that could have made the it better would be to have more volunteers. It is very hard to work and show at any show. This year when people were not showing, they were working. This is where more help would be greatly appreciated. This I know can happen, seeing the POSITIVE direction this club is taking into the future.

Now is the time for many of our members to reap the fruit of their labors at the horse shows (open and regional) this year. Coming up very soon will be the following banquets, of which many of WApHC are also members.

The WApHC will be having their annual meeting prior to the banquet. Please support your club by coming to the meeting and attending the awards banquet. Plans are already in the works for our open and regional shows for 2012.

Thank you for the support of your club and the board of directors you elected. Keep thinking POSITIVE and this club can keep moving forward into a bright and successful future.

- Dan

NEWPHA Delegates Needed

WApHC is a member of the NEWPHA open horse show club. Our annual fundraising show, held in May, is a NEWPHA show. All members of WApHC are automatically members of NEWPHA and qualify for year-end points. Every member club of NEWPHA is required to have two delegates that attend NEWPHA meetings throughout the year. The meetings are not held in the summer. We will need two volunteers to be our NEWPHA delegates.

If you are interested in taking this on, please contact Dan Schaut at (920) 682-9669
or email at schaut@lsol.net or any of the other board members.
