**Marshfield Show:**

- We need to eliminate some classes as the show bill is very long.
  - Discussed eliminating all open breed classes after class #45. All agree
  - Discussed having only 18 and under and 19 and over showmanship classes as showmanship generally takes a long time. All agree
  - Discussed combining 10 & under walk trot pleasure and 10 & under walk trot horsemanship. All agree
  - Discussed eliminating Disciplined Rail. All agree
- Hunter in Hand on Sunday - Tina doesn't think there should be a stallion class and then a youth class right after the stallion as it is a safety issue. We agreed this should be changed. Chelsea will make the change for this on this show bill and also on the Spring Fling show bill.

**Escanaba Show:**

- Stall Fees – Nick brought up having a higher fee for stalls. Terie thinks they have to stay at \$30 or people from up north won't come. Stall fees will be \$30 for weekend and \$15 for tack.
- Show Bill – Friday will be reining, western riding and then cattle so that there are some classes between reining and cattle.
- Ribbons are all we need for placing's for the open show portion.

**NEWPHA:**

- 1<sup>st</sup> place awards – Brenda is going to go ahead and get the small trophies again like we did last year.

Meeting adjourned at 2:05 PM
