Treasurers Report

- Nick will report via email as he is driving right now. We have approximately \$6,000 right now in our account.

June Show

- For helpers we have:
 - Office – Nick, Chelsea, Sheri Voeltz
 - Ring Steward – Toni
 - Gate – Dave Pflieger
 - Other misc helpers – Sue Klinkner, Lisa Krueger's mom (sorry I'm not sure of her name) and Tina
- Country Catering – Beth Miller is our food vendor. She will be there about 6 or 6:30 AM on Saturday and will stay until about 3 or 4 PM. Hours will be about the same on Sunday.
- Cattle:
 - Nick talked with Richard Schlough and he will be bringing in the gates and equipment on Friday night.
 - Roger Johnson may be bringing in the cattle.
 - Johnson's are all for the cattle being done in the indoor arena.
- Nick will have the patterns from John Gay and he will be making copies to sell at the show.
- Class entry fee on show bill is listed as per judge/per class. Nick brought up if because this is 3 judges, one being a double pointed judge, do we charge for 3 judges entry fee or 4 judges entry fee. It was decided that since we did not change our package fee that we would charge for 3 judges per class for the entry fee and 4 judges for the national point fee because people are still getting 4 sets of points.
- Hi Points:
 - Discussion was had whether or not we do high points for each show or if the hi points are for a combination of both shows. It was decided on doing hi points for each show.

- Tina wants to have hi point awards for all the different categories (non-pro, novice non-pro, masters non-pro, youth 14-18, youth 13 & under, etc.)
- Tina has duffle bags that just need to be embroidered and Nick thinks that we should have them done at Towsley's with the logo that was done on the jackets. Kim will check on the price for this and email the board.
- Nick is going to check on getting some horse buckets and he will be spray painting the logo on them. These would be given away as random giveaways. Nick will email what he finds out on prices.
- We still have can coolers left from last year that will also be used as random giveaways.

August Show

- Toni has booked Scooters Catering for the August show. They will be there on Friday and Saturday.

Miscellaneous

- Nick needs to renew the Horse Show computer package which is \$175.
Toni made motion to renew the computer program at \$175. Kim made 2nd. All are in favor.

Next Meeting – July 22nd at 7 PM via teleconference.

Meeting ended at 7:50 PM.
